Development Partnership

A Line of Credit (LOC) of US \$ 17 million was extended to Niger in July, 2005, under NEPAD for 'procurement of buses, trucks, tractors, flour mills and motor pumps etc. Another LOC of US \$ 20 million was extended under TEAM 9 for 'power supply and electrification' in July 2008. These LOCs have been utilized.

Two LOCs have been extended in June, 2013 – (i) for electrification of 30 villages using photovoltaic system (US\$9.84 million), and (ii) setting up of a solar plant of 5 MW capacity(24.70 million). Another LOC of USD 25 million for Drinking Water for semi-urban and rural communities was extended in January 2014.

India provided a relief package of basic medicines to Niger in September 2005 towards assistance for the humanitarian efforts for the food crisis. Indian experts visited Niger in 2006 to ascertain the requirement for computerization of Niger's Ministries of Foreign Affairs, Mines & Energy and Dry-land Agricultural Research. Technical assistance was provided to Niger in ICT and agriculture sectors. Government of India later supplied 100 computers and 100 printers, worth Rs.67 lakh in 2012 to the Ministry of Foreign Affairs of Niger for capacity building.

India granted financial assistance of USD 100,000/- to Niger in August 2010 to help it tide over the ongoing food crisis. A cash grant of Euro 86452/- was also disbursed to help the Government of Niger towards purchase of two television cameras for the National Television of Niger for use at the investiture ceremony on April 7, 2011, for the newly elected President of the Republic of Niger.

The Pan African e-Network Project, funded by India, has been established by TCIL in Niamey.

India offers training to Niger in human resource development under ITEC and IAFS. In 2014-15, 150 slots were provided under ITEC, out of which 138 slots were utilized. For the year 2015-16, 140 training slots have been provided under ITEC. Until June 2015, 43 slots have been availed of under IAFS. 2 ICCR scholarships were availed of in 2014-15. ICCR has offered 8 scholarships in 2015-16. Out of 10 slots provided for defence training courses under ITEC Category-I during 2014-15, 6 slots were utilized by Niger defence personnel. Two candidates were sent to India under 'C.V. Raman - Special Agricultural Scholarship Scheme' in 2013-14.

Indian Community

There are about 100 Indian nationals residing in Niger. They are mostly engaged in trading and hospitality related business.
